Who We Are

Triumph Foundation exists to help children, adults, and Veterans to triumph over obstacles they face after suffering catastrophic injuries and disabilities. Our goal is to help people maximize their recovery by finding solutions to increase mobility, independence, improve self-efficacy, and reintegrate back into the community.

We do this by providing hope, education, referrals, grants, and activities to people who have mobility impairments. We are there initially when the injury/disorder/disease occurs and as a lifelong support network, providing a continuum of care. Additionally, we hold events that are a captivating force within the entire community.

Our History

Triumph Foundation was founded by Andrew and Kirsten Skinner in 2008. In 2004, shortly after graduating from college, Mr. Skinner suffered a spinal cord injury in a snowboarding accident in Lake Arrowhead. Mr. Skinner broke several vertebrae in his neck, rendering him a quadriplegic. After years of extensive physical therapy, Mr. Skinner regained considerable function and felt destined for a mission to help others who have suffered injuries like him. Andrew and Kirsten founded Triumph Foundation with a simple desire: to bring hope, resources, and mentorship to people who are dealing with paralysis.

Every year 10,000-20,000 people suffer spinal cord injuries in the United States. There are millions of people living in America today that suffer from disabilities. The disabled population is the fastest-growing minority that anyone can become a part of at any time. No one plans ahead for a devastating injury or disorder, because no one thinks it could happen to them. When something tragic does occur, people are not prepared to deal with the challenges. Triumph assists these individuals to triumph over the obstacles they face.

Triumph is a high impact charity, making quality of life a reality for thousands of people living with disabilities. We are a chapter of United Spinal Association, Move United, and the Los Angeles Paralympic Sport Club.

Triumph has 14,000 members, plus 8,000 Facebook, 4,000 Instagram, and 1,000 Twitter followers.
